COMPLAINT DOCKET NUMBER:	OC20-012
Reply filed on behalf of (company name):	SodBusters Inc.
Contact Person:	Michael Brown
Phone	(604) 498-1066
Name or Company Name:	SodBusters, Inc.
Street Address or PO Box	46919 Cody Trail Ste 200, South Dakota Tea United States
Fax	6054981076
Email	sodbustersinc@midconetwork.com
Date	Feb 18, 2020
Were you previously aware of these allegations?	No
Do you believe the statutes listed (if any) by the complainant were violated?	Νο
Why or why not? We have abided by the SDOneCall Regulations and we don't ever have any issues with any other utility company, other than Midco. This is because Midco only installs the cables a few inches below ground. Even though we DO hand dig, these lines are so close to the surface, that they are being hit by the shovelsas they should be well below the dig area. Underground Solutions should not be able to install drops in Sioux Falls, due to installation method. We have found the drops from 2 to 6 inches for the majority of the time, and at this depth, they are easily damaged. All other providers install at 12 to 16 inches in depth. This is also a liability to the homeowners as well. They are the 1st ones to install, so this shouldn't be an issue.	
Do you dispute the alleged violation of SD One Call statute or rule occurred?	Yes
If yes, what specifically do you dispute? As stated above, we DO hand dig, but these lines are so close to the surface that they are being hit by the shovelsas they should be well below the dig area.	
Do you dispute the complainant's statements regarding the intentional or unintentional nature of the alleged violation?	No
Was a locate requested from SD One Call?	No
If no, please explain why no locate request was made: Unsurethis was an oversight.	
Did excavation begin before the start date / time on the ticket?	No

	Was anyone injured as a result of facility damage?	No

No

Other information regarding injuries or damages:

As states, this was unintentional, but also unavoidable, as the lines were only buried a few inches below the surface.

Describe your plans and procedures to ensure compliance with SD One Call statutes and rules: One Call needs to require proper depths for the Midco and other cable installers lines.

Has a complaint been filed against you in the past for SD One Call violations?

Yes, I don't recall the date
