Based upon the evidence presented in the filings, the Panel recommends a penalty of \$1,000 with \$750 suspended upon the conditions listed below. The conditions for the suspended penalty are as follows:

1. Respondent must not be found guilty of a One Call violation within 12 months of the final Board Order,

3. Respondent must attend a Damage Prevention meeting in 2020,

Detail of the discussion material, date and length of the meeting along with printed and signed names of attendees will be submitted to the Executive Director of South Dakota One Call within 30 days of the final Board Order.
5. Respondent will arrange a face-to-face meeting with Magellan Midstream Partners, LP to review the damage, dangers while working around utilities, and safe practices. This meeting is to take place within 30 days of the final Board Order being issued.

If any of the above conditions are not met, the suspended penalty (~~\$750~~) becomes immediately due and payable to **P.O. Box 187, Rapid City, SD 57709**.

The Panel recommends the South Dakota One Call Board accept its findings and recommendations herein. If either party to this Complaint disagrees or objects to the recommendations or findings herein, a hearing may be requested.
