**ENFORCEMENT PANEL  
RECOMMENDATION TO THE SOUTH  
DAKOTA ONE CALL BOARD**

OC20-026

On May 11, 2020, the South Dakota One Call Board received a Complaint filed by Magellan Midstream Partners (herein "Magellan"), against DBJ Drilling, LLC, (herein "Respondent") for an incident occurring on April 1, 2020, at 14184 Dry Creek Road, Fairburn, SD. The Complaint alleges a violation of SDCL 9-7A-1 (4) and 49-7A-5 when Magellan was made aware of excavation activities on the right-of-way of the Rapid City Lateral pipeline. Magellan alleges the drilling rig was set up very close to the pipeline and found that a request for location of underground facilities was not submitted prior to Respondent starting the work.

A copy of the Complaint was sent to Respondent on May 11, 2020. The deadline to respond was June 2, 2020. Respondent answered the complaint on May 15, 2020 and does not dispute that a violation of South Dakota One Call law occurred. Respondent alleges the drilling location was between the house and the underground water storage system where previous excavation work had been completed on the property. Respondent alleges the location of the drill hole is over 50 feet west of the Magellan pipeline location.

On July 2, 2020, the Enforcement Panel (herein "Panel") convened pursuant the authority present in SDCL 49-7A. The Panel does find probable cause to believe that an intentional violation of SDCL 49-7A-5 occurred.

Based upon the evidence presented in the filings, the Panel recommends a penalty of \$1,000 with \$750 suspended upon the conditions listed below. The conditions for the suspended penalty are as follows:

1. Respondent must not be found guilty of a One Call violation within 12 months of the Board Order,

2. The penalty payment of **\$250** must be made to **P.O. Box 187, Rapid City, SD 57709**, within 30 days of the Board Order,
3. Respondent must attend a Damage Prevention meeting in 2021,
4. Respondent must conduct an in-house safety meeting to discuss South Dakota One Call laws. Detail of the discussion material, date, and length of the meeting along with printed and signed names of attendees will be submitted to the Executive Director of South Dakota One Call within 30 days of the Board Order.
5. Respondent will arrange a face-to-face meeting with Magellan to review the damage, dangers while working around utilities, and safe practices. This meeting is to take place within 30 days of the Board Order being issued.

If any of the above conditions are not met, the suspended penalty (**\$750**) becomes immediately due and payable to **P.O. Box 187, Rapid City, SD 57709**.

The Panel recommends the South Dakota One Call Board accept its findings and recommendations herein. If either party to this Complaint disagrees or objects to the recommendations or findings herein, a hearing may be requested. To request a hearing, a party must reply within twenty days from the date of service of this notice. Failure to request a hearing is considered acceptance of the recommendations and findings herein.

The South Dakota One Call Notification Board has jurisdiction in this matter pursuant to SDCL Chapters 1-26 and 49-7A and ARSD 20:25.
