Describe your plans and procedures to ensure compliance with SD One Call statutes and rules:

There are only two principals involved with DBJ Drilling LLC. Each one will have to check the filing of any locates for future excavation work.

Has a complaint been filed against you in the past for SD One Call violations?

No

Please provide any additional information to support your position:

The drilling location was between the house and the underground water storage system where previous excavation work had been completed on the property. The location of the drill hole is over 50 feet west of the Magelan pipeline location.
