The Complaint alleges a violation of SDCL 49-7A-5 and 49-7A-8 when Respondent was started to work on landscaping around a building, removed some topsoil with an excavator, and hit the service line. 3. Respondent must attend a Damage Prevention meeting in 2021.
4. Respondent must conduct an in-house safety meeting to discuss South Dakota One Call laws. Detail of the discussion material, date, and length of the meeting along with printed and signed names of attendees will be submitted to the Executive Director of South Dakota One Call within thirty (30) days of the Board Order being issued.
5. Respondent will arrange a face-to-face meeting with Claimant to review the damage, dangers while working around utilities, and safe practices. This meeting is to take place within thirty (30) days of the Board Order being issued.

If any of the above conditions are not met, the suspended penalty (**\$1,500**) becomes immediately due and payable to **P.O. Box 187, Rapid City, SD 57709**.

On October 7, 2020, the Panel's recommendation was sent to the parties to this action. The parties did not request an evidentiary hearing. The Board reviewed the Panel's recommendations at its November 17, 2020 meeting pursuant to SDCL 49-7A-27. The Panel's recommendation was approved by the Board. It is now, therefore:

ORDERED, that the South Dakota One Call Board adopts the recommendations of the Panel as a final resolution of this Complaint. The Panel's findings are attached hereto and shall be considered fully incorporated herein.
