Good morning Toby,

The Board order was mailed yesterday, dated yesterday. All of the requirements (other than the Damage Prevention Meeting) need to met by January 15, 2021. Payment can be sent to PO Box 187. You can email me after meeting with Marcus Christensen from MDU. To meet the in house safety meeting, all I need is an email stating you have reviewed the Operations Manual and let us know if you have any questions.

I am working on scheduling Damage Prevention Meetings and will publish the schedule the first part of January.

Thank you,

Codi

So, when do I have to have the \$500.00 paid? Thanks.

Good morning, Mr. Karn,

The Board Order was approved at our Board Meeting last week. I have a few processes I need to complete to get this out to those involved. With the holiday, I am not expecting these be signed and issued until Monday. I will forward a copy via email as soon as they signed by our Board Chairman (again, expecting Monday). The thirty days to meet the requirements will start when the orders are emailed, not before. So basically, by the end of the year, we will need to have most of the conditions met. The Damage Prevention Meetings will be held online this year, and I am looking at end of February / March for those meetings. Our schedule will be published in January with a couple of different options to attend,

Thank you,

Codi Gregg

Toby, good evening,

The fine can be sent to our PO Box 187, Rapid City, SD 57709. At this time there is nothing due until the Board of Directors approves the Order which will be mid-November. At that Board Meeting the Board will approve or reject the Panel Recommendation. I will follow up with a Board Order after that meeting and you have thirty days after the date of the Order to meet the requirements.

I appreciate the email and question,

Thank you,
