## COMMENTS

**Assessment Comments:** On August 24th, Kelly with swiftec hit a 2 inch plastic MDU gas line. 1 foot of trace wire was missing. A green wire was twisted into the yellow wire for a temporary fix. Kelly said he has a ticket but could not give the number. I told him he has to call 811 for a damage ticket he refused. Kelly with also refused to call 800 mdu fast to report the hit line. Site Works Specialists made the call to MDU as they were concerned that Swiftec was going to bury the gas line while it was damaged. Gas was not blowing. 811 was not notified.
