ALL SPECIFIC STATUTES AND ADMINISTRATIVE RULES MUST BE STATED:

49-7A-5. Notification of proposed excavation.

No excavator may begin any excavation without first notifying the one-call notification center of the proposed excavation. The excavator shall give notice by telephone or by other methods approved by the board pursuant to rules promulgated pursuant to chapter 1-26 to the one-call notification center at least forty-eight hours prior to the commencement of the excavation, excluding Saturdays, Sundays, and legal holidays of the state. The board may promulgate rules to reduce the forty-eight-hour interval for emergency or subsequent inquiries to the original locate request and may lengthen the forty-eight-hour interval for nonexcavation requests.

49-7A-8. Location of underground facilities--Marking.

An operator shall, upon receipt of the notice, advise the excavator of the location of underground facilities in the proposed excavation area by marking the location of the facilities with stakes, flags, paint, or other clearly

identifiable marking within eighteen inches horizontally from the exterior sides of the underground facilities. The board shall promulgate rules, pursuant to chapter 1-26, to establish the response time for operators to mark the underground facilities. The response time shall be no later than forty-eight hours after the receipt of the notice, excluding Saturdays, Sundays, and legal holidays of the state or the excavation start time provided by the excavator, whichever is later. The response time may be less than forty-eight hours for emergency or subsequent inquiries to the original locate request and may be longer than forty-eight hours for nonexcavation requests. Excavators shall maintain a minimum horizontal clearance of eighteen inches between a marked underground facility and the cutting edge of any mechanical equipment. If excavation is required within eighteen inches, horizontally, the excavator shall expose the facility with hand tools or noninvasive methods approved pursuant to rule and shall protect and support the facility prior to further excavation with mechanical equipment.

Other information to support your position:

Contractor was doing some digging on Remington Rd when they struck the 0.75" gas line. The contractor did not have a valid locate ticket in there name at the time of damage at this location. Gas was not blowing due to EFV. 811 was called, 911 was not.

Street Address / location of alleged violation:	3682 Remington Rd
City	Rapid City
State	SD
Date of alleged violation:	Sep 17, 2020
Time of alleged violation:	09:00 AM

Describe your allegation:

Contractor was doing some digging on Remington Rd when they struck the 0.75" gas line. The contractor did not have a valid locate ticket in there name at the time of damage at this location. Gas was not blowing due to EFV. 811 was called, 911 was not.

Do you believe the alleged violation to be intentional?	No
